Hi [REDACTED] Jeffrey confirmed meeting Bryan (you can refer to Bryan as 'neural implant builder', he came from Futurism founder). Bryan is in New York today and tomorrow. I've put you in touch with his assistant. Could you please ask Jeffrey if he wants/can meet in person or schedule a call and proceed depends on Jeffrey's response?

Hello to you both,  
You're both already briefed, so I'll keep this short.

Bryan is building Kernel, and today I spoke with Masha about the potential value of him and Jeffrey chatting. Masha has spoken with Jeffrey, and will be working with his team to hopefully

coordinate time to connect before Bryan  
leaves on Weds.

@Masha: I'll let you take it from here.

Thanks so much!
