Hi [REDACTED] - How are you? This Bronx boy is disappointed about the Yankees falling short of their 41st pennant! Would have been nice to see them here in LA playing the Dodgers in the World Series.

I'm Planning on sending a musical gift from Amazon to Jeffrey this week - please advise where to send it - probably will order it tonight and there will be a 2-day shipping time as I belong to Amazon Prime

Best,  
Mark

Let me know when you plan to send however...if there is a better address, I can pass along...if you send to NY, please let me know when so I can tell the house to expect it...Also, include a gift receipt type thing so we know it came from you! WE get tons of packages (and lots from Amazon) I want to be sure it is received and noted ;)
