Hi there...I need your help ...I believe you are in Europe and in the proper time zone to do this for me...? [REDACTED] [REDACTED] is to check in to the Park Inn in Moscow tomorrow morning...I have reserved the room for her but it needs to be paid for. The department that sends the Credit Card Authorization forms is not open over the weekend. They will open tomorrow at 9am Moscow time (which is the middle of the night for me) Can you call Amex (or the hotel directly) and ask them for the form and use Jeffrey's CC Amex details and send back to them? [REDACTED] does not have a CC she can use....PLEASE GET BACK TO ME!! ??

below from [REDACTED] explaining to me that she can't use her own card...:

Hi Lesley,

It's a bit of an issue, because they will charge me for the room straight away. The prepayment at least. I think it's a usual procedure in all the hotels. And I'm not sure how much that would be.

The sum of money that I have on me right now might not be enough to cover all the expenses for the day. (Transfers, food, etc.)

Sorry for the inconvenience.

Best regards,
