Heads up, we will wrap early. Today is shorter than expected. I believe we have another hour and a half of work and then will go home.

Or we can offer Wednesday (tomorrow) at the Bowery Hotel.

Tomorrow we'd start around 9am, Thursday we'd start around 9am (I can never really confirm until the night before.)

Doesn't need to bring anything (I recommend bringing as little on your person as possible so you don't lose anything on set), they can call me at [REDACTED] before they arrive so I can grab them.

Morning!! Jeffrey is asking if it would be possible for his friend, Micah Gromov, to come and watch some of Woodys shoot sometime this week? Anything interesting happening? And of course, would it be ok? One of Jeffrey's assistants would go with him.

Please let me know!
