very welcome :)
since we have the 5 tickets set aside, if Jeffrey does decide to take more people, we must tell the helicopter folks...the heli is 5 pp max. We would need to email Brad with the names and weights (very important :)

Hi [REDACTED]

I also wanted to let you know that five tickets have been reserved in Mr. Epstein's name, and he can pick them up at the "will call" desk in the lobby of the Fisher Center just before the start of the concert.

All the best for a lovely weekend!
