Jeffrey, I've heard that you leave on Thursday. If there's any time convenient for you to meet today (even briefly) - I'd take it. Will be happy to have tea with pastries and meet in person. If not - hope there'll be another time soon when we'll be able to connect. Please let me know what works best for you.

Kind regards,

Dear Jeffrey,

I am pleased to introduce you [REDACTED], a dear friend of [REDACTED] and me. She is a very driven, exceptionally smart, charming, inspiring and a dynamic young woman who is in New York right now.

It would be great if you have time to meet her for coffee, share experiences, make new friends..

Her intro is below.

Are you currently in New York?

Kind regards,

[REDACTED], following up on our discussion - I will appreciate if you can introduce me to Jeffrey. I am in NYC until October 31 and then may come back on Nov 6 or 9th. I would love to connect in person if we happen to be in one city, have heard great things about him from [REDACTED]. About myself - a young VC, working at a generalist venture fund in SF - GVA Capital (where I look at later stage digital health investments) and currently building and fundraising my own early-stage health tech fund with a big dream of reinventing healthcare. There I approach healthcare from a holistic point of view and focusing on technologies that prevent and predict diseases and personalize treatment. For my fund, I build an extensive network of health and technology experts, strategic partners and advisors, so that portfolio companies are empowered, accelerated and have higher chances to become successful.

Best,

[REDACTED]
