Thanks!

Everyone must have an ID these days! Please assure here it's a formality, standard security procedure for any government building, particularly a foreign! Needless to say many office buildings now require visitor's photos taken in addition to providing/scanning photo ID.

We must have it BEFORE the showing!

Pls. email asap, please.

Thanks, Tristan

Ouch!

Doesn't she have a passport in her that she
can photograph on her mobile and send to
me? Or any other ID?

Please do your best as there is really nothing
we can do to by-pass this requirement. We
are dealing with a foreign government
bureaucracy, Sorry...

Keep me posted.

Best, T.

Dear [REDACTED]

Confirming tomorrow (WED)
4pm appointment to view the
5th Avenue building.

According to your emails, the
following intend to attend:

Jeffrey Epstein
Ariane de Rothschild
David Mitchell
Karyna Shuliak

Please confirm.

Also, it appears I may have
missed Ms. de Rothschild's
photo ID. Please resend before
noon. A pdf. or even just
a photo of the front
side typically suffices. Please
note, no one whose photo ID is
not provided in advance,
may be allowed in. In the past ,
the security has refused access
to persons whose IDs were not
on file! As said before, this is a
foreign government's active
diplomatic office so we must
respect their security
procedures.

Also, be advised that only two main floors, two lower levels and the roof (weather permitting) may be shown.

For your and visitors' reference, below are the "official" requirements/info as we received them from the seller.

Thank you for understanding and complying.

I look forward to welcoming all to the building.

Best, Tristan

This is to remind you of our procedures for your and your prospective buyers' access to the building:

1) full name(s) and brief bio/profile(s) of the Principal (the buyer) AND photo identification of EACH AND ALL persons viewing the building must be provided for your files in advance of a viewing;

2) The principal must be present at viewing;

3) No cameras in the building allowed at any time;

4) All mobile devices must be checked with the building receptionist upon entering the building;

5) Only main rooms, lower levels and roof can be shown until the offer is accepted.

Thank you for understanding the importance of complying to the above steps, so the operation and security of this working foreign government diplomatic office is assured.
