Okay cool. I think watching that January 16th flight to Boston (or even the January 5th flights to NYC) to see if they change is the best bet! If no changes, not a problem, but we might as well keep monitoring for the next few weeks :)

Hey [REDACTED]...the Amex rep just called me back...incredibly, to change the ticket to depart on the 16th now is \$1700 more! This can happen! He said it is possible the airline changes it back but you never know...there is limited availability and that has something to do with it...Not sure if you still want to change to the 16th? We could ask Jeffrey if ok to do if it is important? or we keep you on the 17th and book if the price goes back down in a week or so?
