Thanks!

Everyone must have
an ID these days!
Please assure here
it's a formality,
standard security
procedure for any
government
building, particularly
a foreign! Needless
to say many office
buildings now
require visitor's
photos taken in
addition to
providing/scanning
photo ID.
We must have it
BEFORE the
showing!
Pls. email asap,
please.
Thanks, Tristan

Dear Lesley,

Confirming tomorrow (WED) 4pm
appointment to view the 5th Avenue
building.

According to your emails, the following
intend to attend:

Jeffrey Epstein
Ariane de Rothschild
David Mitchell
Karyna Shuliak

Please confirm.

Also, it appears I may have missed Ms. de
Rothschild's photo ID. Please resend before
noon. A pdf. or even just a photo of the front
side typically suffices. Please note, no one
whose photo ID is not provided in advance,
may be allowed in. In the past, the security
has refused access to persons whose IDs
were not on file! As said before, this is a
foreign government's active diplomatic office
so we must respect their security
procedures.

Also, be advised that only two main floors,
two lower levels and the roof (weather
permitting) may be shown.

For your and visitors' reference, below are
the "official" requirements/info as
we received them from the seller.

Thank you for understanding and complying.

I look forward to welcoming all to the
building.

Best, Tristan

**This is to remind you of our procedures
for your and your prospective buyers'**

access to the building:

1) full name(s) and brief bio/profile(s) of the Principal (the buyer) AND photo identification of EACH AND ALL persons viewing the building must be provided for your files in advance of a viewing;

2) The principal must be present at viewing;

3) No cameras in the building allowed at any time;

4) All mobile devices must be checked with the building receptionist upon entering the building;

5) Only main rooms, lower levels and roof can be shown until the offer is accepted.

Thank you for understanding the importance of complying to the above steps, so the operation and security of this working foreign government diplomatic office is assured.
