Hi Merwin. thanks...

I don't know much about Austin...he has been to the house and met with Jeffrey a few times...his email address is "[brudderventures.com](mailto:brudderventures.com)" which is a Montreal based investment firm ...I just realized I have been calling him "Hall" and it is "Hill"! oops...Brudder Ventures is the Montreal based investment firm of Canadian entrepreneur Austin Hill. The firm provides advisory work and angel funding to Canadian entrepreneurs.
