Hi Leslye. Thank you for reaching out to me... I am very happy in my current position. I actually get to work from home quite a bit as well as a little time in New York. So it is a perfect fit for me. Thank you [REDACTED]

Good afternoon - I hope you are well.
?
I have a NYC based High profile C level EA role that closely matches your background.
Would you be interested in discussing?
If so please let me know when is good for you to chat.
Have a great weekend
Leslye
