We will receive an order from Amazon this Sunday Nov. 12th. I placed an order for a coat and 2 pairs of boots. Please be on the lookout for them! (below is a copy of the order)

Merwin, When they arrive they need to be Fed Ex'd to [REDACTED]. It must be sent as a gift so she doesn't have to pay extra taxes on it. We will need to take out of Amazon boxes or put the amazon boxes in a big box...I am waiting for her to give me complete address. OK?
