Subject: Important Message from our Board Chair

----- URGENT APPEAL -----

Dear Jeffrey,

More Americans died just last year as a result of the opioid crisis than in every single conflict we have fought in since 1955 -- including Vietnam, Afghanistan and Iraq -- and casualty rates among young and old in our neighborhoods are still rising.

The trauma confronting children, families, teachers and caregivers is unlike anything we have ever seen. Second Response is receiving requests from all over the country for help. These requests are coming from EMS personnel, schools and homeless shelters.

We just finished a program with Firefighters and EMS staff in a metropolitan area and were immediately asked to return for a countywide effort -- and this is just one county.

We must train as many people as possible in our unique methodology, using a combination of online teaching tools and videos with intensive personalized instruction. Please consider an immediate donation to support this urgent effort.

For every thousand-dollar donation to Second Response we finance two doses of the life saving injection used by the EMS and Emergency Shelters we are supporting.
We are all in this together. Please help.

Please click [HERE](#) to donate.

Thank you,

Martha Hackett, MD
Chair of The Board of Directors
Fortunate Blessings Foundation

P.S. You can send a donation by mail to our address below.
