Hi Anna..I am not sure if Ion has access to reply...can you help relay that Jeffrey would like him to stay on the island longer ...he can paint the cottage (?)....freshen the flag pole (?)...something else?  
We could bring him back to NY on Nov. 26th or 27th...then his flight home is on Nov. 30th...I didn't know if he needed to be back to NY for some reason or other however...Can you find out if this works?
