did you receive another email with the tickets to print? Says you need to have Adobe Acrobat 4.0...you could probably also log on the the Telecharge website and input the confirmation number and print that way I would think...

To view and print the tickets, you will need Adobe Acrobat 4.0 or higher (so you can view PDF files) and an inkjet or laser printer (color or black & white) with at least a 300 dpi resolution. [Click here](#) to download Adobe Acrobat. Please print the tickets at their full size; each should fill an 8.5 X 11 inch (or A4) sheet of paper.
