Hello Nili...wanted you to know we are having a bit of a difficulty with Kobi...he says he doesn't know our staff and won't disarm the alarm for us...we provided the previous guy all the passports/ID's/Drivers License for each of the employees who might need to enter your apartment...Kobi should have on file (I hope)...

Might you be able to have conversation with him?

I wanted to send In [REDACTED] [REDACTED] to leave a little food and flowers like we always do, but she was told she must wait 2 more hours to possibly get entry..

Thank you! Lesley
