[REDACTED] and Merwin...just an FYI...we have guests staying in apt 11P ....they will leave on Sat. Nov. 25th, but you will need to clean it for your cousin/families stay! Joscha Bach, wife and 2 kids are staying there tonight thru Nov. 25.. FYI...Joscha just called to say the apartment stinks terribly of smoke! says it is horrendous! I asked [REDACTED] to buy some Fabreeze and take to them...

...wondering what is going on over there at those apartments???

Happy Thanksgiving!
