isn't there a more cost effective solution  
car services seem so outdated..

uber / via / lyft ...something else...

thoughts?

Les,  
Here is the problem: Carosa is charging rates from NJ to JFK.. Going forward they will  
charge talls from NYC only and drop NJ. Will get back \$20 for the last charge.  
Going forward Standard rate from Teterboro to NYC is \$145 plus tall \$15 plus tip 20%,  
for SUV start \$165.  
NYC to JFK will be: \$153 plus tall \$17 plus tip 20% with a total \$204 v \$224 in the past.

Thank you,  
Bella

it's basically 20%...isn't that normal? does the company add it in  
themselves I assume...you could call and  
haggle with them for 15%...but it could just  
be their standard...

Les,  
tips are very generous, what do you think..  
Thank you,  
Bella
