Hi Merwin...we can't clean 2G until the boxes are out of the apartment. We are not is as big of a rush as I thought because I no longer need to put a guest in there this week. This being said though, the sooner we can get the apartment up and ready the better. Either Sonam or Leo will need to clean after the boxes are removed...just keep me posted on when boxes are moved and who will clean and when ...thnaks
