Leo is at the house and says there are phones available. Would you like Elina to take 3 phones to Elina today? (If there are charges I will have her take 3 of those as well. I know there were not as many chargers as phones)

Are there any phones left at the house? If so, Could Elina go pick them up and take to Elina to bring? (I don't think anyone is there today at house. She would need to get in on her own).
