Also, please remind Jeffrey that we met before, in January. We had a great hour of conversation, but he was not convinced with my protocols, and we ran out of time to get deeper into the process.

I am just putting that out there to refresh his memory...

I have since then treated 1000 people for chronic pain, with excellent results.

I am happy to come at 430pm if he still wants to meet. if not, I totally understand.

best wishes,

Ravi Mantha

Good morning Ravi. Jeffrey Epstein is a friend of Gino Yu's. You come highly recommended by Gino and Jeffrey is hoping you could come see him today at his home in NY city. Might you have some time this afternoon or evening? Perhaps 5pm? Please let me know as soon as you can.

Thank you,
