It is I [REDACTED]

I am writing concerning photography courses endeavor of which Mr Jeffrey offered to support me. I asked photographers about cameras and all of them told me to purchase Canon 5D Mark IV with lenses that cost 7395 usd on pricefalls. And I found very nice courses on Nyip with several sessions that interest me a lot and the price for them is 7500 usd. So in total it is 14895 usd.

I would really appreciate it and hope Mr Jeffrey will support me on it♦ because I have several offers about doing blog and taking photos after completing..

Thank you!

Have a nice evening!

Best regards,
