New record locator [REDACTED]

Fare non refundable and changes are not permitted, should I go with higher fare with permitted changes?

I could not get same set number she had before on December 10th flight, now she is seating separately from [REDACTED].

We can't change round trip ticket, originating from NYC to one way origination from Paris (currency is difference), even if we could, same high add collect.

So here is my suggestion.

We can do one way for [REDACTED] on November 27th with Norwegian Air:

DY 7020 27NOV JFK CDG 1030P 1130A

TOTAL FARE - USD 375.10

Cancel ticket we have now as round trip from NYC, use it as a credit fro another (any ticket) from US (value is \$ 628.26).

Book new round trip - Paris-NYC -Paris: advise hat date to make fro flight from NYC to Paris: for example

1 DL 405 10DEC CDG JFK 1025A 0114P

2 DL 404 27DEC JFK CDG 0559P 0725A

TOTAL FARE - USD 787.66

So, total you paying out of the pocket with all above is \$1162.76.

Morning!!! (yes, I am emailing you at night, but know you will read this in the morning!)
No way we need to spend the add collect on this ticket. Should we just forfeit the ticket we are holding and purchase a new ticket back to Paris one way for [REDACTED]? Call it a day..? (hope you had a nice night ;)

On November 27th there is no exact same flight:
DL/AF 1017 JFK CDG 1055P 1200N¥1 - add collect 2354.80

DL/AF 1015 JFK CDG 650P 810A¥1

DL 404 JFK CDG 600P 725A¥1
add collect 2354.80 on top what you already paid.
The huge add collect is due to we don't have 14 days as advance purchase, like we had before.
According to fare rules, we have to re-price whole thing at today's fare.

Let me know, if you can make decision shortly. I would like to leave for the day, but if change needs to be done for sure, I will stay and finish.
