Dear [REDACTED]  
How are you? I hope you are doing well.  
I wanted to make sure to circle back with you per Jeffrey's request (as  
it is already November..yikes!) :-)

As a reminder, Governor Richardson asked for Jeffrey's support to his  
Center for Global Engagement.  
Since we last communicated, we helped bring Otto Warmbier back  
from North Korea  
(<https://www.vox.com/world/2017/7/3/15893426/negotiator-north-korea-mickey-bergman-otto-warmbier-richardson-center>); started a robust collaboration  
(first of it's kind) with the FBI Hostage  
Recovery Fusion Cell (FBI, State and  
Defense Department), where we bring out-  
of-government assets to help solve cases  
(former CIA Directors, former diplomats  
and business leaders); and have been  
conducting back channel contacts  
between Pyongyang and the White House  
(National Security Advisor McMaster and  
WH Chief of Staff Kelly).

When we communicated earlier in the year Jefferey indicated he will support the Center, and asked that we reach out in November to follow up. I am happy to come up to see you, or mail you some additional information, if needed.

Thank you so much [REDACTED]  
Mickey

Hi [REDACTED]  
Wanted to share with you and Jeffrey the below clip from the local news (one of several) regarding the case we've been working on in Gambia and finally resolved.

Nice mention of the Richardson Center here.

Yes. They did. Thank you Lesley.

The Governor told me the call was good and that Jeffrey  
will make the  
support for  
the Center,  
but said it will  
be done later  
in the  
calendar year,  
for tax  
reasons.

If you can follow up with Jeffrey and let me know if there  
is anything I  
should send  
you (payment  
info etc.).

Thanks so much Lesley,  
Mickey
