Nope these are spam. You can block the number or I can show you apps to block robocalls.

Thank you,

not sure, you can check your personal google account
maybe

Thank you,

Bella

Hey Bella...I receive numerous calls warning
me our Google Listing has not been updated
or not current or something...ALL THE
TIME...it is an automated call and I usually
just hang up...is this something I should be
paying attention to and passing along to
someone?
