Dear Lesley,

Thank you again for setting us up in the apartment, and sorry for all that confusion and additional turmoil we have caused! The 2G apartment was great. (As a note to the manager, the regulator for hot/cold water in the shower seems to have been broken by a previous guest, but still works somewhat.)

We just discovered that we accidentally took the power cord of the little white printer with us to Cambridge. We will send it to you tomorrow morning, and hope nobody missed it in the meantime.

With kind regards from Cambridge,

Joscha and Mira, Aino and Taiyo.
