Dear Lesley,  
Please be so kind to pass this information to Mr Epstein. It contains our  
proposal for initial survey and digitalization services of

the existing conditions of both islands as well as an overall project schedule.

If agreed, please have Mr Epstein sign and return the proposal. I have my team ready to fly this coming weekend, please confirm so we can make the proper arrangements.

Attached you will find our bank information for your convenience.

Kind regards,

**Ramon Alonso**
