Yes, indeed, we must have been writing at the same time. PGA will try to make it for 7pm, as suggested. He might be running a couple of minutes late as he has another appointment right before.

Thanks!

Dear [REDACTED]

Tomorrow is confirmed. The President just boarded a plane though so I am unable to confirm the exact time with him. But please go ahead and consider it confirmed from our end at least preliminarily for 8pm and I will speak to the President as soon as I can just to make sure the time is okay with him as well.

Best,  
Vanda
