Bella, I agree they have raise the rates and past months, I've used this company for many years, all their drivers be good English the cars are clean and I can give them 30 minute notice and they show up, most of the time Jeffrey tells me at the last minute he wants a car for a passenger, they are always there When I need them,,

Maybe you should call Teresa and see if you could work out a corporate discount for us since we've done business with them in the past other companies like Teterboro Limo are not the most reliable and equal pricing

CARosa knows our operation, knows the FBO and knows New York City so I never have to worry when they pick up a passenger for Jeffrey that they will arrive at the right place when they say they will

Teresa is a very nice lady Maybe she were work a special rate for you?

Just a thought
