> Hi Leo...we are supposed to have a guest come today and stay in 10B...however I
have not heard from him...he may decide with the weather not to come...If he does, we
will need 10B cleaned on Monday Jan. 8...we then have another guest coming to stay
in 10B on Tues. Jan 9th...they will depart early on Fri. Jan. 12th...please mark your
calendar to check with me about cleaning 10B on Monday Jan. 8 and to Clean 10B
for sure on Fri. Jan. 12th.
