[REDACTED], I asked Jeffrey's houseman Merwin to contact Fed Ex since he is at the house and collecting the package. He sent me the below reply and will stay on top of it. I promise!

Lesley,
I'm afraid [REDACTED] package might not make it tomorrow. It got held up in Denmark and France (security reason), but they will call me back to give me the exact delivery date. As of now it's still at Munich airport.

I will give you an update once I hear from them.

Thanks

Would be really nice if somebody could take off the first layer of packing, so that gift wrapping would be seen and 2 letters that are together with the box put on top of the box when giving it to Jeffrey.
