Wanted to say that they put one of the letters together with the export papers, just don't throw it out with those custom papers :D haha.

Dear Lesley,

On Friday a gift should arrive for Jeffrey to NY with Fedex, tracking number [REDACTED]. I would really appreciate if you could arrange that it is received when expected. Would be really nice if somebody could take off the first layer of packing, so that gift wrapping would be seen and 2 letters that are together with the box put on top of the box when giving it to Jeffrey.

Hope your Christmas were calm and beautiful! Have a lovely day!
