Hi ████

Once you complete the application it will be processed along with all other applications and you will be notified once it has been reviewed. Please note each application is reviewed thoroughly, and this process does take time. I would say that after January 1 the review process will take from 2 – 3 weeks.
Regards
Cindy

Hello…I see you must apply to attend the TED conference in April ….wanted to make sure there are still available memberships…I see the Vanguard membership has limited availability…but the other levels of membership are still available? After applying, how long does the review process take?

I look forward to hearing back from you!

Thanks,
