I will tell him [REDACTED] is requesting use of his fed ex number again. I'm sure fine but want him to know. I'll do so now.

Dear Bella,
I am writing in regard to the fedex account,
It would be really nice of you if you could send me again the papers (most probably on Monday). I will be sending a Christmas gift for Jeffrey, he said I can use his fedex account to pay for the delivery. I am letting you know upfront, I will know the details about the delivery only tomorrow or on Monday.

And...

I wish you merry Christmas!!!

While you enjoy the gifts,
food, sparkle of ornaments and lights,
feasting on favorite foods,
I wish this Christmas
would envelop you
in the special warmth
and rich contentment
the season brings.

I wish friends, family,
all those who love you
let you know how much they care,

so that you feel happily wrapped
in their affection.

I wish this Christmas
would be one you never forget,
a shining beacon in your memory
to light all of your days.
