Subject: 4:30pm Conf. Call question...

Jeffrey is in a meeting with Deepak and Jabor...I reminded him at 3:30pm he has a conf. call at 4:30 pm with Neale and you...do you think he will step out of his meeting for this call? is this super important type thing? It's possible the meeting could be over by 4:30pm, I really don't know...but wanted to tell you what is happening here!
