Jeffrey, Serguei,

Connecting you here. You both are one of the most intelligent and fun people
I met in my life. Super smart and special.

You should connect and stay in touch. You both share interest in quantum
technology and better understanding of this field than
most of business people. It might be one of many topics
to discuss.

Connecting you here if you decide to catch up earlier. I'll connect your assistants about the meeting in Boston next Friday.
