oh boy...I wish people were more open to constructive help...you guys are always the best to help out even when the situation is less than welcoming! I let Anna know Russell and crew are only coming for the day...they actually fly back that evening to PR on the private plane to catch a commercial Jet Blue flight back to NY at 8pm...so they probably do not require a visit to the grocery store!

GREAT job on the photo :)

Hi Lesley,

Heading back for a month, JE asked if we could help out, pretty much everyone on Island is not happy with this, so is going to be a rough 4 weeks, if we last that long.

Will take note of Russell Hernandez & Crew, so they are staying on Island - LSJ/GSJ? If so will need details about that. Noting they are doing grocery shopping.

Photos usually me, the one you got was mine

Thanks

all the best
