The last MRI that East River had on file was from 2015. And that is great news - if for some reason they are unable to fit Mr. Epstein in, let me know and we will work something out!

We just spoke with Dr. Hartl's office and they are "in the process of confirming the appointment" and stated they are going to be calling you shortly. Mr. Epstein will be going to [REDACTED] If you do not hear from them by 4:30, please let me know.

East River is sending the MRI over as we speak!

Hi Haley...Jeffrey DOES want to see Dr. Hartl tomorrow at 9:45am! I just spoke with the other girl at your office...she says Dr. Kruger can get a copy of Jeffrey's MRI of his back from East River Imaging sent over to him today....Is this possible? Can you confirm?

I just called Dr. Hartl's office but had to leave a voice message...no one answered the phone...
