Tristar confirm for Pick Up tomorrow, Friday Jan. 12th at 10:30am from Hanscom Bedford Airport. Jeffrey will be driven to Martin Nowak's office at 1 Brattle Square...car will wait and then take him on to Joi Ito's house for a 1:30pm meeting at [REDACTED]. Car will then leave. If this needs to be tweaked, I am hoping you or the assistant who is with him can do so? I already informed Tristar it is a possibility as I really don't know exact timing! I have also booked the return pick up (confirm in next mail) Pick up is from Joi Ito's house for 7pm...I don't know if this is when he wants...he seems to always leave earlier than we originally think...so once again, I let Tristar know the timing could be tweaked (it is a 2 hour minimum anyway!) He will be driven back to Hanscom Bedford airport! :) I do not know who will be going with JE at this moment...once I find out, I will forward to her as well.
