**Subject:** Jeffrey Epstein

Hello All!

Jeffrey will be flying to his island tomorrow. HE will now have his pilot on the island and will therefore be able to fly Russell and crew from St. Thomas to his islands via helicopter!

Russell, Please still look for someone to have a sign with your name on it at the airport to escort you to the helicopter. Anna, please advise if this will still be Jermaine or who...Or any other details Russell will need to know.

Thanks,
