**Subject:** Russell Hernandez

Russell Hernandez would like to fly to San Juan on Monday Jan. 15th...he will spend the night with a friend then he chartered a small plane for \$1500 round trip to go from San Juan to St. Thomas for the day with 3 other people (Architect-Brian Brown, Project Manager-Mark Lubinate and Construction Manager-Pedro Casanova. Pedro lives on PR) It was less money to book the private plane and they will be able to make use of the entire day vs being restricted by commercial airline timing..

Russell, Brian and Mark will fly back to NY from San Juan on Tuesday evening at 8pm.

OK to organize Anna to meet with Russell and his crew for Tues. Jan. 16th to tour your islands?
