Hi Kellie...wanted you to know Jeffrey DID come back with all his CD's...so we are good there...Jeffrey said in passing "Dr. Hartl wants me to have another MRI"...can you fill me in? I called Dr. Kruger's office as well for 'next steps'...I believe Hartl and Kruger have spoken...

...another quick request, Dejene is to email me a copy of the invoice I paid (the \$350) can you make sure it happens?

She is new, she just started this week so it takes some time to get the hang of things...If he forgets to take the CD's we can mail them back

I just spoke with Dejene and we are all set...she gave Jeffrey the paperwork to finish filling out/sign and I paid! (took her awhile to get situated so I could pay? not sure if her computer was down or what...but we got it all taken care of!) If there is anything else you need, please let me know!

Also, I am hoping Jeffrey will come back with his CD's of his MRI's...if for some reason they are left there and the Doctor does not need them, I will want them back to keep in my files again! ;)

thanks, Lesley

Good afternoon Lesley,

I just received your message. Dr. Hartl did say he can see Mr. Epstein tomorrow at 9:45am, I am just waiting on confirmation that a room is available. Also, please inform Mr. Epstein that Dr. Hartl does not participate with United Healthcare so he will have to pay \$350 at the time of the visit and we will submit to the insurance. Please see new patient forms attached as requested. Thank you! Let me know if you have any questions!
