Hi Kellie...wanted you to know Jeffrey DID come back with all his CD's...so we are good there...Jeffrey said in passing "Dr. Hartl wants me to have another MRI"...can you fill me in? I called Dr. Kruger's office as well for 'next steps'...I believe Hartl and Kruger have spoken...

She is new, she just started this week so it takes some time to get the hang of things...If he forgets to take the CD's we can mail them back

I just spoke with Dejene and we are all set...she gave Jeffrey the paperwork to finish filling out/sign and I paid! (took her awhile to get situated so I could pay? not sure if her computer was down or what...but we got it all taken care of!) If there is anything else you need, please let me know!
Also, I am hoping Jeffrey will come back with his CD's of his MRI's...if for some reason they are left there and the Doctor does not need them, I will want them back to keep in my files again! ;)

to Dr. Hartl for them to go over
together)... and yes! have
someone call me at the [REDACTED]
[REDACTED] number for the CC !
