Good morning!

Yes, he is to get a 4D CT of the parathyroid. This is what Dr. Udelsman at University of Miami and Dr. Moskowitz discussed. This can be arranged at East River Imaging.

I can send the order there in the next few minutes. What phone number can I leave for them to schedule it?

Hello Brittany. Hope you had a nice weekend. Jeffrey has asked I touch base with Dr. Moskowitz, I believe, to get names/numbers of doctors he recommends? I think they have spoken on something but I am a little unclear ...would it be possible for you to ask Dr. Moskowitz if they spoke and if I need to make some appointments? Would greatly appreciate it...I just spoke to the front desk at your office and she was not aware of anything...

Thank you
