**Subject:** Dr. Ronald Lehman-Spine Hospital-You will need X-Rays

Re your appointment with Dr. Lehman: You need to have X-Rays taken either the morning of Feb 12th (you would need to Arrive 45 minutes prior to your 9:15am appointment to have this done on site) Or you may do at your convenience at your own radiologist prior to the appointment on Feb. 12th...we would just need to request a script from Dr. Lehman's office and they can provide.
