Hello Lesley; we were working behind the scenes yesterday and now this morning I've already reached out to push everything by one day. The hotel was contacted last night and knows they will arrive today. And we have today to reorganize the activities. We are on it. I am not in the office today, but our team is rescheduling. It is early here and a busy time at the ski schools. And many others had challenges as well getting into Aspen yesterday. So busy times indeed. I will be back in touch later this afternoon MST time.. once this is all resolved. It may be closer to 4pm MST. But the goal is to push all activities beginning tomorrow. Thank you for your patience.

Hi Emma. [REDACTED] and [REDACTED] are stuck in Chicago. Their flight was cancelled to aspen. We tried numerous other flights, even One to Vail, All cancelled. They are trying again today to leave Chicago for aspen but will not arrive until 1pm. We need to shift the lessons All a day. They should have ski lesson tomorrow 12th and ski/snowboard on tues 13th. I understand amex tried and tried calling yesterday but the phone lines were not working. How do we make this happen? We were able to let the hotel know but the ski lessons/rentals still remain in limbo. What happens next? How can we fix all this? Lesley
