Hi [REDACTED]...I have emailed a few other Fish Charter people (including the one we took last year) asking if we can take 7 pp ...figure it is better to contact several at this point..reading reviews and want to make sure the boat is big, etc...
I'll keep you posted on my end too!

No, I have not. I have put a telephone call in, but I will send another e-mail as well.

I have been meaning to follow up. Thanks for the gentle push.

Hi Capitan Dan,

My family is coming to town and have asked for me to arrange fishing for 4 hours in the afternoon on Thursday April 12, 2018.

We had such a good time before with you and would like to have another great experience. It was too bad that the wind kept us off the gulf last year.

I note that your website says you can take up to six.

Please let me know if Thursday, April 12 in the afternoon is available.

Thank you,
