Hi [REDACTED], attached below is the tracking data for you.

I would love to meet Mr. Epstein and give him a 20 minute presentation on the LED Bed that Dangene's has. It's the only one in FDA history to gain Approval and it is literally creating medical miracles all around the country. I'll be in NY from February 28th through March 9th and could meet him anywhere if he has any interest.

Just a few of the benefits of the Bed are:

Totally handling high-blood pressure without any drugs
Reducing heart attacks and strokes and increasing blood circulation to the brain.
Ridding the body of inflammation
Building the immune system..... these are just a few of many more.

All the best to you!
