Hi [REDACTED],

Ariane wants me to join her in Brooklyn with the girls. Both of us could come see Jeffrey together a bit later in the afternoon — @ 3 pm. Would that work?

K.

Hi [REDACTED],

Sure — that would be great. Ariane is going to brunch with the girls in Brooklyn tomorrow so she can't make it. Would 1 pm work?

Hi Kathy. Did you want to see Jeffrey for lunch tomorrow? Or what is good for you? Did you confirm anything?
