aha! I shall update then!

Yes, JE is here until Sat....did you need to see him? Or are you just gearing up for a 'we need you right now' moment...? (fyi-internet did go down yesterday briefly, but Merwin was able to get us back up pretty quickly...)

Yes please install. Screens connect allows me to view / control your machine if I can't get to the house.

I take it the boss is in town?

Thank you,

I am receiving a 'software update ' that says "A New Version of Screens Connect is available! Screens Connect 4.6.1 is now available. you have 4.4. Would you like to download it now" Says it fixes bugs...improved port mapping management; stability and performance improvements...

Do I want to? that is the question of the day for now!
